Summary

Some simple plant support

[Household](#) > [Outdoor & Garden](#)

Tags: [plant](#) [support](#) [house](#) [supports](#) [trellis](#)

Some simple plant support.
The O variant needs to be glued together.

If you are looking for something more elaborate, check out my [modular stackable supports](#) or other plant related things on [my profile](#).

[Planter](#) used on the photos.

Commercial licence available on [Patreon](#) or [Makerworld](#)
